RECYCLING EQUIPMENT

Solvent Recycling Equipment

Alltrade Recycling Equipment has over thirty years experience in hazardous waste handling, and our goal is to offer our clients the most advanced ON-SITE RECYCLING equipment and products available.

Our customers use hazardous solvents to clean equipment, manufactured parts, spray guns, and print industry related materials because these solvents have truly superior cleaning capabilities.

Alltrade Recycling Equipment provides our customers with the tools to reduce costs and minimize waste by recycling solvents on their own premises!

URS500-EP2

Tank Capacity: 5.0 US Gal (20 litres)

Speed: 5.0 US Gal in about 4 hours

Solvent Transfer: Auto-transfer, in and out

Air Pressure: Min 85 PSI, unit complete with pressure regulator and filter

Power Supply: 110/120V, 1500W, 13.3A

Heater: 1500W

Display: LEDs indicate power on, heat on and 6 temperature set points

URS900-EP2

Tank Capacity: 6.6 US Gal (25 litres)

Speed: 6.6 US Gal in about 4-6 hours

Solvent Transfer: Auto-transfer, in and out

Air Pressure: Min 85 PSI, unit complete with pressure regulator and filter

Power Supply: 220/240V, 2200W, 9.3A

Heater: 2100W

Enhanced Control Features and Digital Display. Easy settings for dryer waste residue, automatic or timed heater shut-off, maximum temperature set points in °F or °C, regulation of the rate of recycling using heating power percentage. Meets demanding recycling conditions.

URS2000-EP2

Tank Capacity: 20 US Gal (80 litres)

Speed: 20 US Gal in about 5-8 hours

Solvent Transfer: Auto-transfer, in and out

Air Pressure: Min 85 PSI, unit complete with pressure regulator and filter

Power Supply: 220/240V, 3400W, 30A

Heater: 5000W

Enhanced Control Features and Digital Display. Easy settings for dryer waste residue, automatic or timed heater shut-off, maximum temperature set points in °F or °C, regulation of the rate of recycling using heating power percentage. For larger users.

Parts Washers

Variety of parts are cleaned in the rugged stainless steel sink using the Flow-Thru Brush and Flexible Spigot. The Built-in Solvent Recycler provides a supply of clean solvent.

34SL-37 (37" Wide Sink)

34SL-42 (42" Wide Sink)

Built-in Solvent Recycler

Clean solvent is available on demand. With a press of the button, clean solvent is available in about 60 seconds.

The unit produces up to 20 gallons of clean solvent per day (4 batches at 5 gallons per batch).

The recycler unit may be started by the press of a button or on an automatic scheduled start.

Waste Sludge is automatically discharged into a waste container.

Dramatic saving in solvent purchases and disposal costs.

Automatic Spray Gun Cleaner and Solvent Recycler Combo Unit

Tank Capacity: 5.0 US Gal (20 litres)

Speed: 5.0 US Gal in about 4 hours

Air Pressure: Min 85 PSI, unit complete with pressure regulator and filter

Heater: 1500W Power Supply: 110/120V, 1500W, 13.3A

Display: LEDs indicate power on, heat on and 6 temperature set points

Features

Cleans 2 pots, 2 spray guns

Gun type - siphon, pressure, gravity feed

Automatic wash, air flush and clean solvent rinse (100cc)

Manual wash with flow-through brush activated by "Hands-Free" foot pedal.

Pressure regulator pre-set to 85 PSI; 2 CFM; plus separate moisture filter

Stainless steel tank - 43 cm w x 33 cm d x 33 cm h

Compatible with solvent based or aqueous cleaners

Complete with solvent pails

Automatic Spray Gun Cleaners for Industrial & Automotive

UG7500 - Available in Water and Solvent Models

State-of-the-Art Cleaning and Ease of Use

Enclosed sink and work surface with Hood Door

Tank and Sink: Automatic Cleaning Tank & Manual Wash Sink

Guns & Pots Cleaned Automatically: Two

Hose Cleaning: Optional

No. of Swirl Action Jets: 14

Tank Size: 17.25 x 13.5 x 14.25" (WDH)

Automatic Cleaning Cycle: Wash, Air Flush, Clean Rinse (100cc) and

Air Flush, Hands Free Foot Pedal Operation

Enhanced Manual Cleaning: Flow Through Brush & Clean Solvent,

Flexible Spigot activated independently by separate Foot Pedals

230 Bartley Bull Pkwy, Brampton, Ontario, L6W 2L1
